HOW TO CHOOSE THE IDEAL SIZE OF YOUR BUONOCORE RING

To measure your size accurately, we recommend printing the guide on an A4 page, with the proportions set to 100%. If the guide has printed correctly, the line below should match the length of a credit card.

HOW TO TAKE YOUR MEASUREMENTS

Take a string and wrap it around the finger you want to wear the ring on. Use the ruler below to check the length of the string. Alternatively, you can take a ring that you already own and place it over the ruler or on top of the outlines to check your size.
